Welcome to
Intelligent**Notification**
version 3.0

## Let me count the ways:

**1**
A sleek new GUI
to make navigation
easier than ever

**2**
A Quick Launch feature
to make it a snap for
anyone to send a notification

**3**
A solution for every business
with Essentials, Standard
and Premium editions
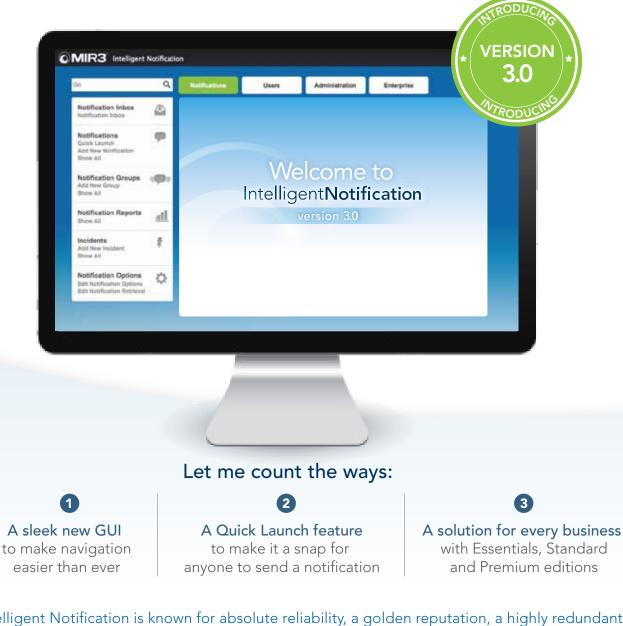

Intelligent Notification is known for absolute reliability, a golden reputation, a highly redundant infrastructure and a feature set that is the richest to be found on the market today.
